## St. Paul of the Cross Retreat Center

**2023-2024**

*Living in the World  
 and not  
 Being of the World*

We invite you to take some time apart, away from our busy world, your obligations, and your stressors. Come to an environment that will help your mind to become quiet, your heart to open, and your soul to breathe. Then you will be ready to pray, to worship at the feet of the Lord, to hear His words.

Our Retreat Center and its beautiful garden are located on the South Side Slopes, with lovely views of our city: a perfect place to pray for all of our families, friends, and neighbors.

The retreat has scheduled activities for those who like a schedule. You may want to spend more quiet, prayerful time alone and only attend some of the scheduled events. You are free to make the retreat experience your own. We encourage you to come to worship and also to meals, to engage with others in prayer and pleasant exchange.

**St. Paul of the Cross (1694-1775)** was a great mystic and preacher. He founded the Passionists in 1741, calling his first monasteries "retreats". The mission of his Congregation is to teach us always to keep in mind and heart the Passion of Jesus, how much we are loved by God.

May the time you spend with us here in our Retreat Center in worship of the Lord center you in the One who created you. Let Him continue to guide you in how to best serve Him by your life and love.
